

ELECTRONIC PRESS KIT

HEAVY MUSIC. OUR WAY.

Into Pieces are a four-piece band from the South Coast UK, playing the heavy rock, alternative and metal they want to hear live. Powerful vocals, inventive bass lines, precise guitar and committed drumming give their chosen covers a character of their own. Their first original material is now taking shape.

LINE-UP

Sophie - vocals / Euan - lead guitar / Will - bass / Dexter - drums

LIVE

Toxicity / Circles / Emergency / Sugar, We're Goin Down / Everlong

Full current setlist available on request.

Festivals, venues, events and suitable private functions. We work with venues to provision the equipment required for each show; technical requirements are agreed as part of booking.
